SUMMER HIGHLAND WORKSHOPS

For three days in August, students will explore the traditional and national dances of Scotland! Highland teaches self-discipline, confidence, and motivation, making it one of the best training grounds for success. An ancient form of dance that requires both stamina and strength, highland remains extremely popular throughout the world. **Primary to premier, introductory classes available (no experience necessary).**

SKILL LEVELS/AGES (5+ YEARS OF AGE)

Selecting a highland class can be somewhat confusing--it is often difficult to judge which skill level is the most appropriate. For instance, "Beginner" is not intended for absolute beginners! **If you are unsure of which class/level to enroll in, please contact the studio for assistance.**

Highland classes are not generally structured by age group. Beyond the Intro (introductory) and Primary levels, a student is placed based on their knowledge of specific dances. While some classes feature age ranges, most do not. Again, should you have any questions, please contact the studio at 250-564-6326 or email studio@excaliburarts.com.

SUMMER HIGHLAND ~ AUGUST 21st - 23rd
